PETITION FOR EXPEDITED FOREIGN FILING LICENSE
PURSUANT TO 37 CFR 5.12(b)

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Applicants hereby petition for expedited review and grant of a foreign filing license for the subject application (copy attached).

1. The Application claims priority to a Provisional Application Serial No. 60/175,178, filed 1/7/00. A petition to correct the filing date of said Provisional Application is pending. A foreign filing license (see attached copy) was granted in said Provisional Application on 2/12/00.
2. A foreign filing license for this Application has not yet been received. However, the necessity to file foreign applications before 1/7/01 precludes waiting for such license or for the six month waiting period.
3. Accordingly, Applicants respectfully request via this Petition that expedited review and a foreign filing license be granted.
4. The firm of Landon & Stark is hereby authorized to act as local counsel and agent in this Application for purposes of processing this foreign filing license request.
5. The petition fee as set forth in 37 CFR 1.17(h) is paid as follows: Please charge Deposit Account 07-0865 the sum of \$130.00 and any other fees that may be due in connection with this Petition.

Respectfully submitted,

William Scott Andes
